Cobalt Media provides you with more than just data. Our lists are constantly updating ensuring a wide selection of prospects. With over 14 million records in our Charitable Donors database, our clients are sure to find a vast number of recipients ready to receive their message.

This donors file includes individuals who have self-reported that they have donated to various charities such as environmental, health, political, religious and other causes. Obtaining this list would give you access to generous individuals who are responsive to opportunities to contribute and help improve the lives of others.

Our Charitable Donors database can be customized based on your organizations needs. Let us know how we can make this list even more specific to your company's goals and objectives. Additional information has been added to make this a responsive, revenue-generating list. Please see below for examples on our donor charity selections and demographic selections.
