Cobalt Media provides you with more than just data. Our lists are constantly updating ensuring a wide selection of prospects. With 11,000 records in our Precious Metals Buyers Database, our clients are sure to find a vast number of recipients ready to receive their message.

Cobalt Media's Precious Metals Buyers File includes consumers who purchase gold and silver. These consumers make investments and persistently search for opportunities to further invest and gain profitable returns. These consumers have online trading accounts and are self-reported investors who have opted in to receive information, news, and offers related to precious metals.

These affluent consumers are go getters and they are focused on their financial goals. These investors are motivated to keep up with the latest trends in the precious metals market. These consumers are great prospects for opportunities to purchase gold and silver, bonds, stocks, mutual funds, precious metals, real-estate, commodities, business investment opportunities, and any service that can help them keep up with investment trends.
