Cobalt Media provides you with more than just data. Our lists are constantly updating ensuring a wide selection of prospects. With over 8.5 million records in our Health and Wellness Database, our clients are sure to find a vast number of recipients ready to receive their message.

Our Health and Wellness database is a consumer list that can be customized based on your organizations needs. Let us know how we can make this list even more specific to your company's goals and objectives. These Health and Wellness Enthusiasts are self-reported consumers of health related products and services. These consumers strive for a healthy lifestyle and are continually looking for products and services that can improve their wellbeing.

These health conscience consumers are great prospects for fitness publications, sporting equipment, gym memberships, nutritional products, work-out clothing and apparel, health clubs, fitness charity events, and much more! These individuals are Yoga enthusiasts and respond to offers related to yoga equipment, yoga classes, yoga apparel, etc. These Health and Fitness Enthusiasts stay active and are also receptive to offers related to sports and out-door activities.

Additional information has been added to make this a responsive, revenue-generating list. Please see below for examples on our demographic selections.
